YOUTH GAME - 12.45pm MAIN GAME - 3pm.

What the Coaches say

John Fleming

The last six weeks of this season could prove to be the most important period in the Club's short history, and is surely a time for everybody connected with the Club to bond together and be totally single-minded in their aim of earning the Club a place in next year's league. So come on, let's get behind the players and encourage them towards a good win here tonight!

John Frew

The Youth Team has just completed a good series of results and tonight we hope to continue on this winning way. When we last played Newcastle, we were soundly beaten and this return encounter should be a good indication of just how much we have improved.

OUR VISITORS TODAY

Tonight we extend a hearty welcome to our friends from Newcastle, a Club in a very similar position as us coming from the the Steel City in the north. There has always been keen rivalry between soccer teams from the two steel cities and tonight's encounter promises to be no different. Wollongong has the edge on past performance, but Newcastle upset the Wolves last year at the Showground in a midweek fixture also under lights. Tonight's fixture will also settle the winner of the perpetual trophy, the "BHP Steel Cities Cup". We sincerely hope that the competition format eventually selected for the NSL in 1987 will include both Newcastle and Wollongong so that the contest between the two steel cities may continue.

The "Steel Cities Cup"

This trophy donated by BHP Steel, Port Kembla was first played for in 1985 and won by the Wolves. An aggregate point score for the performance of both the Youth and NSL teams in the two competition games during the year determines the winner. Points allocated are 6 points for a win in the main game and 3 points for a draw and 2 points for a win in the Youth game with 1 point for a draw. The overall goals scored versus those against will be the decider should the point score be equal. Last year the Wolves won in Newcastle whilst the Rosebuds won in Wollongong. Whereas the Youth games resulted in a win and a draw for the Wolves. The goals tally also favoured the Wolves and the trophy was brought home to Wollongong. Last years presentation was made by a representative of the BHP Group from Newcastle and tonight's presentation, to take place immediately after the main game, will be carried out by officials of the BHP Steel, Port Kembla Company, the main sponsor of the Wollongong Wolves.

Tonight we welcome Newcastle to the Showground in a game that is absolutely vital to both clubs. Newcastle, like ourselves, have got to do it the hard way this year if they are to qualify for next year's revamped National League.

They have come up with some creditable results this season, amongst them a 5 - 1 victory over Sydney City; so we are looking at a very tough game here tonight.

Our last game against St George proved to be very disappointing for us with a 3 - 1 defeat, and another batch of injuries. Hopefully, the week break will give the injured players time to recover as we need everybody fit for selection for the vital run in to the end of the season.

Senior Team Report

The last home game brought two points we desperately needed when our visitors, Inter-Monaro, lost by 2 goals to 0. The strong wind blowing across the showground made playing soccer difficult, with both teams making mistakes. The half-time score line of 0 - 0 suggested no attacking football, but both teams came close to scoring when the ball rebounded from the goal posts after both shots had beaten the Goalkeepers. After half time, with the wind behind them, the Wolves came into the game more. They dictated the middle of the field, and Rade Stevanovski, the crowds favourite who deserved the "Man of the Match Award", made two superb passes, one from each side of the field, to put Robert Giraldi in a scoring position. Robbie made no mistake and put the ball in the net on both occasions to score for the Wolves.

The next game away to St George saw the Wolves go down by 3 goals to 1. After losing Larry Gaffney early in the game through a pulled hamstring, the Wolves started to struggle. At half time, with the score at 2 - 0 to St George, Coach John Fleming told the players to lift their heads and keep attacking. It was not long after half time that the Wolves lost another Midfielder in Bryan Cokely, when he left the field after clashing heads with an opposing player. Bryan was later taken to hospital where he stayed overnight. St George rubbed salt into the wounds when they added a third goal. Robert Giraldi scored a consolation goal on full time to make the final score 3 - 1 to St George. Injuries to Larry Gaffney, Bryan Cokely and Warrick Young has added more strain on the run down to a top five position.

Youth Team Report

Our previous home match against Inter-Monaro was almost a carbon copy of the first match, only in reverse. Whereas, Wollongong led 2 - 0 early at Seiffert Oval and Inter came back to win 4 - 2, in this match our opponents got away to an early 2 - 0 lead and, whilst not able to sustain the effort long enough to obtain a win, the lads did fight back for a creditable draw with goals by Pat Brodnik and that magnificent effort by Earle Canvin. Paul McGarry, John Brown, Earle Canvin, Chris Peros, and Steve Morris all had strong games benefitting from the presence of experienced players in the team.

Last week's away match at Barton Park was probably the best the lads have played this season. Showing a liking for the well grassed stadium, they stormed home to absolutely thrash St George to the tune of 5 goals to 2. David Batten celebrating his return to the park knocked in four excellent goals with Richard Piel notching the other. Despite this and strong games by Sean Billington, Wayne Lowe, and Ron Glass, the player to catch the eye was John Brown. Brownie was brilliant, taking on players, tackling, laying on crosses, he seemed to be everywhere and emphasised again why he should never have been deleted from the National Youth Squad.

Further pleasing news during the week came in the form of a letter from NSL Manager, Peter Russell, informing us that Sydney City had played an ineligible player, David Shute, against our Youth Team on the 22nd June. As a consequence of this, their 2 - 0 win has been overruled and a 3 - 0 win granted to the young Wolves. While it may not be a good way to pick up points, it is pleasing to note that the authorities do police team sheets as is fitting for a major competition.

Tonight we take on our traditional rivals, Newcastle. In our first round meeting, the Northerners were successful by 3 goals to nil. With the Steel Citys Cup at stake, we are more than confident that we can reverse this result and extend our unbeaten run to four.

NEW NSL FORMAT

The criteria for entry into the 1987 NSL competition was determined and is based on a maximum point allocation of 40 for past performance, 50 for 1986 performance and 10 for attendance record during 1986. Each position on the 1986 competition table is worth 4.1667 points, which means that for Wollongong City to qualify, we will have to finish in 5th place or better. Goals scored and conceded are of utmost importance because it could mean that one position higher on the table.

Below are listed the pointscore for past performance and the present total pointscore based on positions clubs occupy presently on the competition table with an estimated mark for crowd attendance included.

Our Club has not been happy with the proposed new format for 1987 and as such, we have petitioned the other Clubs with a view to arranging a full Council of Clubs meeting to further discuss the format, and if necessary, rescind the motion. We have listed a number of reasons why we think the new format will not be successful, the most significant ones being, the qualification criteria, finance and sponsorship, Youth League and crowd support.

As an alternative it has been proposed by our Club that the NSL should be continued in two divisions ie Northern and Southern. The Northern divisions be made up of 11 teams from the Federation of NSW, Northern NSW, ACT plus one team from Queensland. The Southern division be made up of 11 teams from Victoria plus one team from South Australia. We have further proposed that top five elimination games be held to determine two teams from each division to play in a top four tournament to determine the NSL Champion, with a similar arrangement for determining the NSL Cup Champion. In addition, it is suggested that two divisional representative fixtures be played, one in Sydney and one in Melbourne during the season.

We hope all Clubs will take a good hard look at the realities that exist and hopefully come to an agreement whereby the NSL can remain truly National and at the same time play in a competition that Club's can afford.

Junior Soccer

The competition for the Illawarra/Wollongong City U13, 14, 15, 16 NSW Youth League Teams has ended and only the Under 13 team was successful enough to qualify for the top four play-offs. Good luck to Derek Henderson and the boys in the semis and finals. The Under 14 team finished in 5th spot and performed very creditably during the year. The Under 15's and 16's battled hard all year but were no match for most of the fancied Sydney teams. Some team rebuilding for next year will be necessary.

Congratulations to Derek Noffke from the U13's and Angelo Piacentini from U14's on their selection in their respective NSW representative teams. They are off to Perth and Coolangatta respectively in the second week of the August holidays.

Last week a substantial sponsorship was announced by the ASF from the Winfield Company. Last year Winfield became involved with two games against Scotland and the performance put up by the Australian team must have influenced the decision by the company to sponsor the ASF for the next few years in the endeavour to have the Winfield Soccerroos qualify for the next World Cup.

Announcing the programme, Australian Operations Director for the Winfield Company, Mr John Devine, said: "We are pleased to renew our association with the ASF. During the next four years, including the 1988 Olympics and 1988/89 World Cup bid, we are confident that the Winfield Soccerroos will achieve recognition as a major Australian sporting team whose achievements will be praised by all Australians." Sir Arthur George in response said, "On behalf of the Executive of the Australian Soccer Federation, the players and the many supporters of our International game, I thank Winfield for their involvement with our team and I am sure with their assistance, the Winfield Soccerroos will be the best ever prepared national team for the next Olympics and the next World Cup."

The programme has commenced with the present series against Czechoslovakia, which will be followed by the first of a series of three home and away trans Tasman challenges between New Zealand and the Winfield Soccerroos, in October/November of 1986.

In November, 1986 the team will depart Australia for China for a series of games including the annual China-Australia Ampol Cup.

Plans are being worked on to stage a pre 1987 season international tournament as well as a mid season tournament.

The programme continues up to the Olympic games and beyond to the qualifying games for the next World Cup with various tournaments, training camps, trans-Tasman challenges and further China Ampol Cup games.

It all adds up to a very exciting future for the Australian National squad and the success gained by them at international level will be of great benefit to our domestic competitions

CLUB NEWS

Congratulations to Jeff Allport on his selection in the NSW Under 16 team. The National Championships in this age group will be held later this month. Whilst Jeff is in the team, two other Wolf Cubs are in the train-on squad. They are Minsco Bonetig and Jamie Warren, unfortunately, both boys have had their share of injuries during the year and this has affected their chances of selection. Jeff, together with Wayne Lowe is still trialling for selection in the Australian C.H.S Schoolboys team which is to make an overseas tour to West Germany later this year. Our best wishes go with all the boys, and it really makes the future of the Wolves look good.

The break in the competition last week came at an opportune time for our Wolves squad. Larry Gaffney, Brian Cokely and Warwick Young are all suffering injuries sustained in the St George match and with the extra time available will now hopefully be fully recovered for today's important game against Newcastle.

The competition table on page six does include the results of two competition games played last Sunday. They were a victory for Sydney City over Canterbury by 4 goals to 1 and a significant result for us when Monaro managed to beat Blacktown 3 - 1. The next few games are of the utmost importance to the future of the Wolves and positive results will need to be obtained to ensure we are a part of the 14 team league in 1987 if this happens.

Supporters Club

The Supporters Club was very much on the move in the last couple of weeks. We held a very successful lamington drive and we would like to thank all those people who supported us.

We also held a Fancy Dress Disco on Friday, 25 July at the Fraternity Bowling Club, with over 100 people attending. It was a great evening, more so, financially. We would like to give a special thank you to the Italian Centre for donating dinner for two for our raffle, which was won by Terri Gambuzza.

Many thanks to the Cheersquad who attended the ICARE Charity Day at Beaton Park. The Supporters Club will be selling World Finest Chocolate, cost \$1.40, and I hope you will all support us by buying a block when the Cheersquad sell these through the stands.

We, also, have a new selection of sloppy joes on sale on the Supporters Stand which are proving to be very popular.
